

Dr. Stone – Resourcefulness & Isolation

Date: 05/23/2022

Scene Illustration:

- Drawing shows Tye in a **fenced compound** with **raised garden beds**.
- Caption:

"Tye can't leave house"

Resource Reuse Ideas:

- **Toilet paper roll** used for seedlings
- **Recycled nozzle** with 3D printer

- **Watering bubbler**
-

 **Concept:**

"Lives next to dump"

 **Survival Through Recycling:**

Can 'get' trash, recycle – and with cash can buy from Amazon or eBay or Facebook.

- Tye's access to tools and materials is limited.
 - Uses:
 - **Narrow place / tool library**
 - **Facebook Marketplace**
 - **Share economy**
-

Let me know if you want this turned into a **game mechanic breakdown, cutscene description**, or integrated into Tye's character mission flow.
